“50% of the world's population is under 25 years of age” is a fact that is often cited. However, it is important to note that this statistic is based on the current population of the world. As the world's population continues to grow, the percentage of the world's population that is under 25 years of age will increase.

“Global Shapers” are 20-30 year olds who are passionate about their communities and the world. They are the future leaders of the world. For more information, visit [www.weforum.org/globalshapers](http://www.weforum.org/globalshapers)
