The United States falls two places to fourth position, overtaken by Sweden and Singapore in the rankings of the World Economic Forum 's Global Competitiveness Report 2010-2011

The People ' s Republic of China continues to move up the rankings, with marked improvements in several other Asian countries

Germany moves up two places to fifth place, leading the Eurozone countries

Switzerland tops the rankings

Watch video interview with Jennifer Blanke, Lead Economist Director, Head of Centre for Global Competitiveness and Performance and download the full report profiling 139 economies, highlights, rankings and more at <http://www.weforum.org/gcr>

The World Economic Forum is an international institution committed to improving the state of the world through public-private cooperation in the spirit of global citizenship. It engages with business, political, academic and other leaders of society to shape global, regional and industry agendas.

Incorporated as a not-for-profit foundation in 1971 and headquartered in Geneva, Switzerland, the Forum is independent, impartial and not tied to any interests. It cooperates closely with all leading international organizations (www.weforum.org).
