- The United States falls two places to fourth position, overtaken by Sweden and Singapore in the rankings of the World Economic Forum 's Global Competitiveness Report 2010-2011
- The People ' s Republic of China continues to move up the rankings, with marked improvements in several other Asian countries
- Germany moves up two places to fifth place, leading the Eurozone countries
- Switzerland tops the rankings
- Watch [video interview](#) with Jennifer Blanke, Lead Economist Director, Head of Centre for Global Competitiveness and Performance and download the [full report](#) profiling 139 economies, highlights, rankings and more

The World Economic Forum is an international institution committed to improving the state of the world through public-private cooperation in the spirit of global citizenship. It engages with business, political, academic and other leaders of society to shape global, regional and industry agendas.

Incorporated as a not-for-profit foundation in 1971 and headquartered in Geneva, Switzerland, the Forum is independent, impartial and not tied to any interests. It cooperates closely with all leading international organizations (www.weforum.org).
